About Audible

Audible is an Amazon-owned company specializing in the production and distribution of audiobooks, podcasts, and other spoken-word content. Users can access a vast library of audiobooks across various genres through a subscription service, which provides monthly credits to purchase titles. The Audible app, available on multiple devices, offers features like adjustable playback speed and offline listening. Audible also produces exclusive content, known as Audible Originals, narrated by notable actors and authors.

Project Description

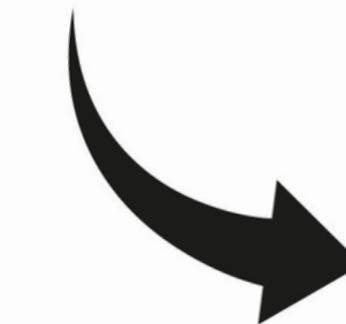

In this project, I will use the Power Query Editor in Excel to clean and standardize an Audible dataset. The tasks involved include reformatting columns, ensuring data consistency, and preparing the dataset for further analysis.
